Statement on New Variant Strain Detection Effectiveness

To whom it may concerns:

We, LifecoscM Biotech Limited, located at 3B Fusen Building, 669 Shuangming Avenue, Guangming District, Shenzhen, China, are the manufacturer of LifecoscM™ COVID-19 Antigen Test Cassette.

By bioinformatic analysis of newly founded Omicron variant including BF.7 / BF.11 / BQ.1 / BQ.1.1 / XBB / XBB.1.5 / EG.5, we hereby confirm those variants of Omicron have no impact of detection effectiveness to LifecoscM COVID-19 Antigen Test Cassette.

LifecoscM will keep monitoring the variation of Sars-CoV-2 and notify its effectiveness on new variants in a timely manner.
